Mission Statement

McCutchanville Community Church's mission is to connect our community with God's power and hope through the love of Christ.

New Sermon Series for November : - Fasten Your Seat Belts

On our trips to Seoul, South Korea, to visit our kids, we encounter a very long flight of approximately fourteen hours. One of the first things you hear from the captain as we prepare to take off are those words: "Fasten your seat belts." Often during the flight we encounter turbulence and once again the captain comes on the loud speaker and states: "Fasten your seat belts." And the third time (and best) we surely hear the words from the captain: "Fasten your seat belts to prepare for landing."

I don't know what you do when you hear these words, but most assuredly I pray, because I am not in control of any of those situations, which leads me to a bit of fear of the unknown. What I seek is the assurance that God has this one covered just for me (well not really just for me, but often my prayers act like this).

In the four Sundays of November, leading to our Advent Series entitled "*Our Coming Savior*," we will take up the topic of Fastening our Seat Belts and entrusting God with all that we have. The four Sundays will be about Prayer, Remembering, Seeking, and Following.

Yes, I know Thanksgiving will occur during this time, but actually all revolve about being thankful as we rest in the hands of an Almighty God at all times, in all circumstances, and in all places.

So fasten your seat belt and join in this coming series.

Pastor Greg

The purpose of Habitat for Humanity of Evansville's ReStore is to help provide funding for our organization's mission of bringing people together to build homes, communities...and hope. The store does this by selling donated new and used appliances, furniture, cabinets, building products and household items to the general public.

By providing a free pick-up service, the store is also an outlet for our donors to be able to recycle and repurpose items that may have otherwise gone to our local landfills. Since these items are donated to us, we are able to provide our donors with a charitable gift receipt.

With the Thanksgiving holiday approaching, we are trying to collect Thanksgiving baskets for our Day Treatment Youth. The baskets can include, turkeys, cranberry sauce, stuffing mix, gravy, biscuit mix, green beans, mashed potatoes, dessert, fruit, etc. We are trying to get around 20-25 baskets. The youth at our Day Treatment have families that usually cannot provide a Thanksgiving meal so we are trying to help. The items can be put in a laundry basket so the families can reuse the basket. To donate a basket call 812-479-7535 or drop off at 2521 North Burkhardt Evansville, IN 47715. Your donations are truly appreciated.

PROFILE OF THE MONTH: Teacher Natalie Decker

Miss Natalie was "caught" making an Angelfish picture for Jonah's Fish Fry!!

My name is Mrs. Natalie. I am the teacher in the Angelfish Class, which is one of the 2 year old classes. My husband Kurt and I have a son, Cameron, who is in the third grade at Scott Elementary. He started out as a student of God's Kids. When Cameron went to kindergarten, I would sub occasionally for God's Kids. I enjoyed substituting so much that I accepted a permanent position with God's Kids last year and began working with two year olds.

In our spare time, my family loves to go to IU football games! I coach the Rowdy Ropers Jump rope team and I have been jumping rope for 31 years.
